

SITTELLA

est. 1993

First established in 1993 by Simon & Maaike Berns, Sittella has become one of Western Australia's premier destinations for wine and food lovers.

Sourcing fruit from our own vineyards in the Swan Valley and Margaret River and long established connections with Pemberton vineyards, we produce an array of award winning wines culminating in 2021 with the release of our Grand Vintage Sparklings to critical acclaim.

Welcome to Sittella Winery & Restaurant.
