Oak: 30% New Oak

Style: Round and textured style of Chardonnay with great depth and flavour.

Alcohol: 13.5%

Soil type: Clay/loam

Drink: Now-2032

Wine: Our Avant-Garde series represents a change in style and a new direction of winemaking for our single vineyards, from which we want to express their unique mesoclimates. All our Avant-Garde wines are single vineyard wines, made with the emphasis of varietal expression while exploring and expressing regionalism.

Vinification: This wine was made from our newly established plantings of P57 (Penfolds clone) Chardonnay. It is planted in gravel loam and has the potential to be a great blending clone that exhibits fine stone fruits and tight acid as well as being fruit forward and having longevity in terms of its ageing potential. One to watch for the very near future.

Tasting Notes: High character, full flavoured derived from 100% malolactic fermentation, a full bodied chardonnay at this stage that has some high octane notes!

Food Pairing: Eggs benedict and Fresh Oysters
