

SITTELLA

2025 Avant-Garde Semillon

Region: Margaret River

Vintage: 2025

Sub-region: Wilyabrup

Vineyard: Buckshot Ridge

Variety: Semillon

pH: 3.18

TA: 6.85 g/l

Oak: 32% Seasoned oak

Residual sugar: 0 g/l

Alcohol: 13.0%

Soil type: Ironstone/Pea gravel/loam

Wine: Our 2025 Semillon grown in the heart of Margaret River's premium wine growing sub-region of Wilyabrup on our "Buckshot ridge" vineyard.

Vinification: Hand-picked and whole bunch pressed to two puncheons with the remainder to stainless steel tank. The oak components are wild fermented while the stainless steel component is fermented with selected yeast strains.

Tasting Notes:

This highly textured and complex wine is for the connoisseurs of fine wine. On the nose it offers delightful fragrances of citrus with undertones of white floral aromas. A subtle minerality holds it all together, poised, elegant and refreshing.

The fresh acidity follows through on the palate which is well textured and will only get better with time in bottle. White and yellow floral bouquets, lime zestiness, hints of melon and green apple make for an intriguing take on Semillon. One that will keep you coming back for more.
